Zambia, Botswana and South Africa

Heart of Southern Africa

with the African Wildlife Foundation

Elephants drinking, Michael Poliza

Embark on an exclusive safari experience accompanied by an AWF scientist to some of Southern Africa's most remarkable wildlife reserves. Begin in the Lower Zambezi, a landscape within one of AWF's Heartlands, where land conservation and elephant conservation are two top priorities for AWF staff and researchers. Next, visit magnificent Victoria Falls where game drives and active adventures await you. Your final wildlife destinations are the Okavango Delta, whose mazelike waterways provide a rich habitat for a host of predators and prey, and the Kruger National Park, where game drives and cultural experiences provide a fitting end to your Southern Africa safari.

ABOUT THE AWF

Founded in 1961, the African Wildlife Foundation (AWF) works with the people of Africa to ensure that the continent's wildlife and wild lands will endure forever. As the leading international conservation organization focused solely on Africa, AWF's works in nine large landscapes—African Heartlands—that are essential to conservation due to their ecological and economic importance. On this safari led by AWF's top scientists and experts, you will visit ground-breaking conservation projects and meet community members whose lives have been impacted by AWF's fifty years of dedication to African conservation. Please visit www.awf.org to learn more.

DAYS 1 – 3

Lower Zambezi National Park, Zambia

Arrive in Lusaka and transfer by private air to the Lower Zambezi. Your luxury tented camp offers breathtaking views over the water with sightings of buffalo, elephant, hippo and crocodile. Each day you will have the choice of walking safaris, game drives, canoe safaris, or boat rides on the Zambezi River.

Kasaka River Lodge

DAYS 4 – 5

Livingstone, Zambia & Victoria Falls

Fly to Livingstone where you will be met and transferred to your classic safari camp on the Zambezi River. The islands in front of the camp are part of the braided channel of the Zambezi with some rapids, a main channel and bordered by dense vegetation. Visit mighty Victoria Falls, take game drives within Mosi-Oa-Tunya National Park and enjoy river cruises. For the more adventurous, optional activities are available including helicopter flights, white-water rafting and fishing.

Toka Leya Camp

DAYS 6 – 7

Linyanti Wildlife Reserve, Botswana

Fly by private air to your luxury tented camp in the Linyanti Wildlife Reserve in northern Botswana. Take game drives by foot, in open 4x4 vehicles, and by boat along the Savuti Channel and the Linyanti River. Observe game and birdlife up-close from one of the many hides. Spot herds of elephant, predators, and prey species on your guided safaris.

In the evenings, return to your spacious tent and fall asleep to the night sounds of Africa. *Duma Tau Camp*

DAYS 8 – 10

Okavango Delta, Botswana

Arrive in the Okavango Delta off your private flight where you will be met and transferred to your tented camp on one of the area's most beautiful islands. The Chitabe area is a combination of open floodplains, wooded islands and lagoons—which sets the scene for a wide variety of wildlife. Game-viewing by day or night may reveal elephants, lions, leopards, cheetahs, reedbucks, giraffes, impalas, zebras, buffaloes and hippos.

Chitabe Camp

DAYS 11 – 13

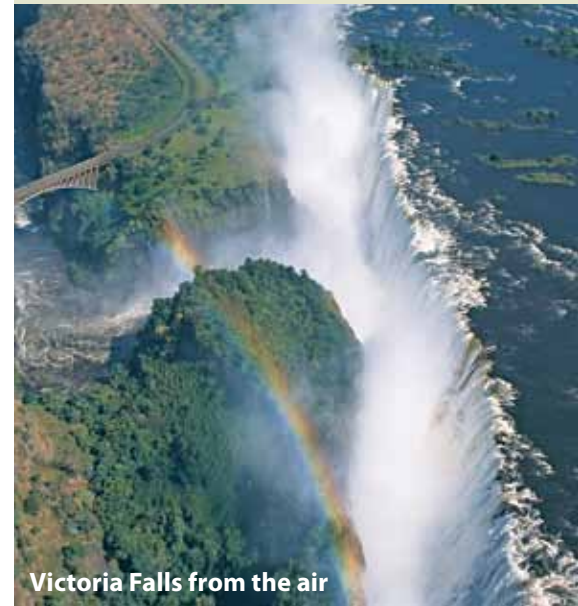

Kruger National Park, South Africa

Fly by private air to the Kruger National Park and transfer to your camp amid shady trees and manicured lawns on the banks of the Sand River. Game drives with experienced rangers and trackers uncover resident game including cheetah, zebra, wildebeest, black-backed jackal, wild dog, white rhino, black rhino, hippo and leopard, to name a few. As an alternate activity, take a cultural visit to Justicia Village to visit the local school, hear traditional music and learn about traditional foods. *Mala Mala Main Camp*
