All correspondence and notification in relation to this RFQ shall be sent to the email address: [AMuzulu@awf.org](mailto:AMuzulu@awf.org) with a copy to [procurement@awf.org](mailto:procurement@awf.org) and [SMuchatibaya@awf.org](mailto:SMuchatibaya@awf.org)

### 2. INTERPRETATION OF THE RFQ

---

This RFQ is an invitation to treat and shall not be construed as an offer capable of being accepted or as creating any contractual, other legal or restitutionary rights.

No binding contract, including a process contract or other understanding or arrangement, will exist between the Bidder and AWF and nothing in or in connection with this RFQ shall give rise to any liability on the part of AWF unless and until the Contract is signed by AWF and the successful Bidder.

### 3. AMENDMENTS TO THE RFQ

---

Prior to the deadline for Bid Submission, AWF may at its discretion modify the RFQ documents by way of a written addendum. All written addenda to the bidding documents shall form part of the RFQ.

In the event AWF modifies the RFQ, AWF will make such amendments through an advertisement on the AWF website

In order to give the Bidders reasonable time to take such modification into account, AWF may extend the Deadline for Bid Submission as may be appropriate under the circumstances.

### 4. BIDDER ELIGIBILITY

---

Bidders may be a private, public or government-owned legal entity or any association with legal capacity to enter into a binding contract with AWF.

A Bidder, and all parties constituting the Bidder, may have the nationality of any country with the exception of the nationalities, if any, listed in the **Tender Particulars** section. A bidder shall be deemed to have the nationality of a country if the Bidder is a citizen or is constituted, incorporated, or registered and operates in conformity with the provisions of the laws of that country.

A bidder shall not have a conflict of interest. A bidder shall be considered to have a conflict of interest if:

- A bidder has a close business or family relationship with a AWF personnel who: (i) are directly or indirectly involved in the preparation of the bidding documents or specifications of the contract, and/or the Bid evaluation process of such contract; or (ii) would be involved in the implementation or supervision of such contract;

- A bidder has an interest in other Bidders, including when they have common ownership and/or management. Bidders shall not submit more than one bid, except for alternative offers, if permitted. This will result in the disqualification of all Bids in which the Bidder is involved. This includes situations where a firm is the Bidder in one Bid and a sub-contractor on another; however, this does not limit the inclusion of a firm as a sub-contractor in more than one bid.

Bidders must disclose any actual or potential conflict of interest in the Bidder Information Form questionnaire and they shall be deemed ineligible for this procurement process unless such conflict of interest is resolved in a manner acceptable to AWF. Failure to disclose any actual or potential conflict of interest may lead to the Bidder being sanctioned further to AWF policy on vendor sanctions.

A bidder shall not be eligible to submit a Bid if and when at the time of Bid submission, the Bidder:

- is included in the Ineligibility List, hosted by [UNGM](#), that aggregates information disclosed by UNOPS ([UNOPS Ineligibility List](#)) and other Agencies, Funds or Programs of the UN System;
- is included in the [Consolidated United Nations Security Council Sanctions List](#), including the [UN Security Council Resolution 1267/1989 list](#);

AWF also expects all its suppliers to adhere to the principles of the [United Nations Global Compact](#) and requests that all Bidders observe the highest standard of ethics during the entire Bid process, as well as the duration of any contract that may be awarded as a result of this Bid process as further defined in Article 40.

If A bidder does not have all the expertise required for the provision of the goods/services to be provided under the Contract, such Bidder may submit a Bid in association with other entities, particularly with an entity in the country where the goods and/or services are to be provided. In the case of a joint venture, consortium or association:

- (i) All parties of such joint venture, consortium or association shall be jointly and severally liable to AWF for any obligations arising from their Bid and the Contract that may be awarded to them as a result of this RFQ;
- (ii) The Bid shall clearly identify the designated entity designated to act as the contact point to deal with AWF. The duly filled Joint Venture Partner Information Form must be included with the Bid. Such entity shall have the authority to make decisions binding upon the joint venture, association or consortium during the bidding process and, in the event that a contract is awarded, during the duration of the contract; and
- (iii) The composition or the constitution of the joint venture, consortium or association shall not be altered without the prior consent of AWF.

## **5. ERRORS OR OMISSIONS**

---

Bidders shall immediately notify AWF in writing of any ambiguities, errors, omissions, discrepancies, inconsistencies or other faults in any part of the RFQ, with full details of those ambiguities, errors, omissions, discrepancies, inconsistencies or other faults.

Bidders shall not benefit from such ambiguities, errors, omissions, discrepancies, inconsistencies or other faults.

- b) Each key expert must also undertake to be available, able and willing to work for all the period foreseen for his/her input during the implementation of the contract as indicated in the Schedule of Requirements and the Bidder's Bid.

As the expected date of mobilization is given in the solicitation documents, AWF will only consider substitutions after the deadline for the submission of Bids in cases of unexpected delays in the commencement date beyond the control of the Bidder, or exceptionally because of the incapacity of a key expert for health reasons or due to force majeure or other circumstances which may justify a replacement and which would not have any effect on the selection of the Bid. The desire of a bidder to use an expert on another project or a change of mind on the part of an expert about the contract will not be accepted as a reason for substitution of any of the key experts.

## **12. REMUNERATION FOR AND COSTS OF BIDS**

---

Bidders shall not be entitled to any remuneration or compensation for the preparation and submission of their bid.

Bidders acknowledge that their participation in any stage of the solicitation process for this RFQ is at the Bidders' own risk and cost. However, if in accordance with the **Tender Particulars** section, prices quoted by the Bidder shall be subject to adjustment during the performance of the Contract, a Bid submitted with a fixed price quotation shall not be rejected, but the price adjustment shall be treated as zero.

AWF may accept Bids submitted in another currency than stated above if the Bidder confirms during clarification of Bids in writing that it will accept a contract issued in the mandatory Bid currency and that for conversion the official United Nations operational rate of exchange of the day of RFQ deadline as stated in the **Tender Particulars** section shall apply. ## **23. BID SUBMISSION**

---

All Bids shall be submitted to AWF through the email address: [AMuzulu@awf.org](mailto:AMuzulu@awf.org) with a copy to [procurement@awf.org](mailto:procurement@awf.org) and [SMuchatibaya@awf.org](mailto:SMuchatibaya@awf.org). Bids that are not submitted in accordance with this provision shall be rejected.

## **24. WITHDRAWAL, SUBSTITUTION, AND MODIFICATION OF BIDS**

## **25. OPENING OF BIDS**

Financial Bids will be opened only for Bids that achieve the minimum technical threshold according to Article 30, Evaluation of Bids.

## **26. CLARIFICATION OF BIDS**

---

AWF may request clarification or further information in writing from the Bidders at any time during the evaluation process. The Bidders' responses shall not contain any changes regarding the substance or price of the bid, except to confirm the correction of arithmetic errors discovered by AWF in the Evaluation of the Bids, in accordance with Instructions to Bidders Article 28.

AWF may use such information in interpreting and evaluating the relevant Bid but is under no obligation to take it into account.

## **27. COMPLIANCE OF BIDS**

---

AWF's determination of a bid's compliance is to be based on the contents of the Bid itself.

A substantially compliant Bid is one that meets or exceeds the requirements under the Schedule of Requirements and the Evaluation Criteria of the RFQ without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

- (a) affects in any substantial way the scope, quality, or performance of the Goods and/or Services specified in the Schedule of Requirements; or
- (b) limits in any substantial way, inconsistent with the Bidding Documents, AWF's rights or the Bidder's obligations under the Contract; or
- (c) if rectified would unfairly affect the competitive position of other Bidders presenting substantially compliant Bids.

If a Bid is not substantially compliant to the Bidding Documents, it shall be rejected by AWF and may not subsequently be made compliant by the Bidder by correction of the material deviation, reservation, or omission.

## **28. MINOR INFORMALITIES, ERRORS, OR OMISSIONS**

---

Provided that a Bid is substantially compliant, AWF may waive any minor informalities, errors or omissions in the Bid that do not constitute a material deviation. These are a matter of form and not of substance that can be corrected or waived without being prejudicial to other Bidders.

Provided that a Bid is substantially compliant, AWF may request the Bidder to submit the necessary information or documentation, within a reasonable period of time, to rectify minor informalities, errors or omissions in the bid.

Provided that the Bid is substantially compliant, AWF shall correct arithmetical errors on the following basis:

- (a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of AWF there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;
- (b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- (c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be rejected and its Bid Security may be forfeited.

## **29. PRELIMINARY EXAMINATION**

---

Upon opening of the Bids, AWF shall proceed to a preliminary examination of the Bids to confirm that all documents and technical documentation requested in Instructions to Bidders Article 10, Documents comprising the bid, have been provided, and to determine the completeness of each document submitted. AWF may reject any Bid during the preliminary examination which does not

comply with the formal and eligibility requirements set out in the Evaluation criteria section, without further consultation with the Bidder.

Bids which are incomplete, frivolous, or that contain material deviations from or reservations to the terms of the Contract, may, in AWF absolute discretion, be rejected or excluded from further consideration at any time during the evaluation, including after preliminary examination.

### **30. EVALUATION OF BIDS**

---

To evaluate a Bid, AWF shall only use all the methodologies and criteria defined in the RFQ. No other criteria or methodology shall be permitted.

All Bids found substantially compliant with the formal and eligibility criteria under Article 28, Preliminary Examination, will go through subsequent evaluation as follows:

1. Qualification criteria (if included in the Evaluation Criteria (Section IV)). Eligibility and Qualification will be evaluated on a Pass/Fail basis. If the Bid is submitted as a Joint Venture/Consortium/Association, each member should meet the minimum criteria, unless otherwise specified.
2. Technical evaluation will be conducted to establish substantial compliance as per the criteria included in the evaluation criteria section. When the specifications of the item(s) quoted vary in one or more significant aspects/from the minimum required technical specifications, or when the bid does not meet the delivery schedule, the bid will not be considered substantially compliant and will not be evaluated further.
3. The prices of bids found to be substantially compliant, will be compared to identify the most substantially compliant bid which represents the lowest overall costs to AWF.

After completion of the evaluation but prior to award, AWF shall conduct background checks/due diligence on the Bidder recommended for award, to confirm the Bidder meets the criteria set forth in this RFQ or as appropriate to the nature of the procurement process and to reject a Bidder on the basis of these findings. Bidders shall permit AWF representatives to access their facilities at any reasonable time to inspect the Bidder's premises.

### **31. AWARD CRITERIA**

---

At the time the contract is awarded, AWF shall award the contract to a bidder who has been determined as eligible and qualified and whose bid has been determined to be the lowest priced, substantially compliant offer to the bidding documents. AWF reserves a right to conduct negotiations with the bidder recommended for award on the content of their bid.

### 33. NOTIFICATION OF AWARD

---

Prior to the expiration of the period of Bid validity, AWF will notify the successful Bidder in writing by email or post, that its Bid has been accepted.

### 34. SIGNING OF CONTRACT

---

### 35. PERFORMANCE SECURITY

---

The successful Bidder, if so specified in the **Tender Particulars** section shall furnish a Performance Security in the amount and form specified therein, within the specified number of days after receipt of the Contract from AWF. AWF shall promptly discharge the Bid Securities of the unsuccessful Bidders pursuant to Instructions to Bidders Article 18.

Failure of the successful Bidder to submit the above-mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security. In that event AWF may award the Contract to the next lowest evaluated Bidder, whose offer is substantially responsive and is determined by AWF to be qualified to perform the Contract satisfactorily.

### 36. PAYMENT TERMS

---

AWF will ordinarily effect payment within 30 days after receipt of the services/goods and on submission of payment documentation unless otherwise stated in the **Tender Particulars** section. Time in connection with discounts offered for accelerated payment will be computed from the date of receipt of payment documents by AWF. Payment discounts will not be considered in the financial evaluation.

Unless otherwise stated in the **Tender Particulars** section, AWF will not accept requests from Bidders to make advanced payments on the contract signed, i.e. payments made prior to receipt of goods and/or services.

If so accepted in the **Tender Particulars** section, a request from the Bidder for advance payment shall be justified in writing by the Bidder in its bid.

This justification must explain the need for the advance payment, itemize the amount requested, and provide a time-schedule for utilization of the requested advance payment amount. If such request is duly accepted by AWF, AWF may require the Bidder to submit a Bank Guarantee in the same amount as the advanced payment, in the form included in Section V: Contract Forms, or another Form acceptable to AWF.

### 37. CONTRACT MANAGEMENT

---

AWF will continuously manage the contractor's performance during the entire contract period and will conduct performance evaluation based on Key Performance Indicators (KPIs) or Service Level Agreements (SLA) if so specified in Section III: Schedule of Requirements.

Except under the circumstances of Force Majeure as described under the AWF General Conditions of Contract, if the Contractor fails to deliver any or all of the goods by the date(s) of delivery or

perform the services tied to the delivery of goods within the period specified in the Contract, AWF may, without prejudice to any or all its other remedies under the Contract and if so stated in the **Tender Particulars** section, deduct from the Contract price, as liquidated damages, a sum of the original total Contract price for each day of delay until actual delivery or performance, up to a maximum deduction of 10%. Once the maximum is reached, AWF may terminate the Contract pursuant to the General Conditions of Contract.

### **38. PUBLICATION OF CONTRACT AWARD**

AWF shall promptly respond in writing to any unsuccessful Bidder who, after Publication of contract award, requests a debriefing.
